

## Solaris 58 - Hull nº 5 - Ref: 15121

The historical quality of Solaris gives its best with a jewel of rare construction quality and extraordinary characteristics of behavior at sea typical of the hulls of Soto Acebal. It utilises advanced, proven technology and build techniques which only incorporate first class components. Vacuum infused epoxy /sandwich hull. Particular attention has been given to the distribution of all the variable weights amidships, in order to maintain the ideal trim of the boat. This Solaris 58 is an excellent combination of sailing performance and liveability. She is professionally maintained throughout the year, fully equipped and in immaculate conditions, almost new. Best price in the market! **ONLY 710 ENGINE HOURS!**
