

Gran Jotiti - Ref: 15083

Drawn by Barracuda Yacht Design in Spain, this sloop rigged yacht has been built to exacting standards. Gran Jotiti is one off made in carbon fiber and boasts a generous inventory. The carbon mast and boom keep weight low down adding to stability. The carbon fiber hull means this yacht is an extremely strong and powerful yacht for family cruising or competitive racing. The deck layout is clear and efficient and every feature reflects the attention to quality and detail, that one would expect from Barracuda.

Gran Jotiti is a boat that is designed for families and active individuals therefore the storage space is used to its maximum capacity.
