

## Solaris 58 “Lianne” - Ref: 15122

For many the best Solaris 58 built, balanced in its configuration and spectacular in its finishes. Boat designed for both day trips and for long voyages. The set chosen in the rigging and sails make it a very fast boat but easy to sail with reduced crew or for moments of relaxation. The historical quality of Solaris gives its best with a jewel of rare construction quality and extraordinary characteristics of behavior at sea typical of the hulls of Soto Acebal. It utilizes advanced, proven technology and build techniques which only incorporate first class components. Vacuum infused epoxy /sandwich hull.
