

Oyster Lightwave 395 OD - Ref: 15169

This family cruising boat with 3 cabins and one toilet, is a great sailer with a good sized cockpit and fully equipped for cruising. It is a great opportunity for someone who wants to start sailing and does not want to spend a lot of money. The boat was last lifted for a hull examination with 5 coats of gelshield epoxy osmosis protection, two coats of antifouling and a full engine service in July 2019 and it was out of the water until end of November 2019.
