

Swan 46 MK2 “Trumpeter of the Rock” - Ref: 15231

One of the most popular Swan models in Nautor’s history. Designed as one of the very first Swans to be built with cruising in mind rather than racing, the Swan 46 model has proven herself to be a fantastic short-handed blue water cruiser. For over half a century, Nautor’s Swan has been the true sailors choice, designing and building luxurious, high-performance yachts in northern Finland. The value of a Swan is derived from the company’s strong heritage, skilled craftsmen, and pursuit of excellence in every aspect of the built. Only private use, with only two owners. New mast and rigging replaced on 2005, teak deck replaced on 2015. The boat is being offered at this extremely competitive price because “Trumpeter” needs a new engine, battery upgrade and full service of all her components as she has not been used and in the water for several years.

SPECS, EQUIPMENT AND INFORMATION

Model	Swan 46 Hull 12
Yard	Nautor Swan
Year	1984
Location	Sotogrande, Spain
Flag	English
Price	85.000 €
VAT	exempt
