

Fairline Targa 44 “Maian” - Ref: 15218

This magnificent Targa 44 has been completely renovated by her current owner who bought the boat in July 2021. New technology emerges that demands to be embraced and Volvo Penta’s revolutionary IPS (Inboard Performance System) with its unique forward-facing propeller units, is a good example; it delivers around 15% faster acceleration, 20% greater top speed and up to 30% better fuel economy. Performance apart, this stunning new Targa is a class leader in many other ways; her curvaceous lines blend seamlessly into a smooth, elegant, patented hard top that rapidly converts the airy, spacious and class-leading cockpit into a cosy deck saloon at the flick of a switch. Add to that her luxurious accommodation both above and below deck, which includes sumptuous master and guest cabins, a day-access toilet, a fabulously well equipped galley, an extra-large tender/bathing platform and masses of sunbathing and relaxing space, and you have something very special.

SPECS, EQUIPMENT AND INFORMATION

Model	Fairline Targa 44
Yard	Fairline
Year	2011
Colour	White
Location	Barcelona, Spain
Flag	Polish
Price	SOLD
VAT	Paid / included
Design category	Category B
