

Belliure Endurance 50 “Wind Rose” - Ref: 15227

The prestigious Spanish shipyard Belliure launched this new Endurance 50 in 2014. A 50-footer with the spirit of a “superyacht”, it combines classic lines with a modern attitude, the result of Vicente Belliure's close collaboration with the naval designer, Iñigo Toledo.

Maintaining the warmth, appeal and character of the original, the new and improved Belliure Endurance 50 has been designed with significant improvements in rigging, deck, interior and appendages, transforming the original design into an attractive proposal, very interesting for future owners in the growing semi-custom market. The boat had a total refit in 2021.
