

Swan 46 MK1 “Trumpeter of the Rock” - Ref: 15288

One of the most popular Swan models in Nautor’s history. Designed as one of the very first Swans to be built with cruising in mind rather than racing, the Swan 46 model has proven herself to be a fantastic short-handed blue water cruiser. Only private use. New mast and rigging replaced on 2005, teak deck replaced on 2015. On September 2024 some works were carried out on the boat: the hull and waterline was painted with 2 coat antifouling and polished, replacement of the stuffing box and flexible joint, the propeller shaft has been checked, replacement of metallic ropes with Dyneema fabrics, replacement of genoa and mainsail halyards with Dyneema halyards, overhaul of running rigging, 6 new batteries were installed in July and October 2024, overhaul, cleaning and lubrication of all winches (all self tailing except the 2 halyard winches which are 3 speed).

SPECS, EQUIPMENT AND INFORMATION

Model	Swan 46 Hull 12
Yard	Nautor Swan
Year	1984
Location	Sotogrande, Spain
Flag	Polish
Price	105.000 €
VAT	Not paid/ excluded
