

### PRINCESS F62 "AMUSSAY" - Ref: 15293

The F62 combines design with advanced infusion technology, offering features typically found on larger yachts. Its flybridge includes a spacious dining area, aft sun pad, and a unique circular forward seating area that converts into another sun pad. With a forward entertaining space and a hydraulic bathing platform as standard, it sets a new benchmark. The main deck saloon connects to the outside via full-length windows, while the sociable aft galley opens to the cockpit. The helm is to starboard, with additional forward-facing guest seating. Below deck, six guests enjoy three en-suite cabins with natural light, plus an optional twin cabin aft for guests or crew.
