

FARR 52 "GODSPEED" - Ref: 15312

This Farr 52 strikes a rare balance between the worlds of racing and cruising. Unlike many modern performance cruisers that favor wide sterns to boost downwind VMG—especially for long ocean legs like a Transatlantic crossing—she retains a focus on upwind performance and agility. The **Farr 52's** sleek hull and finely tuned weight distribution allow her to excel both inshore and offshore, making her a serious contender in a competitive fleet. For racing-focused owners or syndicates seeking a yacht that delivers uncompromising speed without sacrificing versatility, Godspeed stands out as a truly unique opportunity. The rig was totally renowned in carbon kevlar in 2023 and antifouling applied in May 2024. Free berth until September 2025.
