

SHIPMAN 72 "CAIAROSSA" - Ref: 15321

The Shipman 72 is a high-performance, lightweight, carbon, luxury cruising yacht for short handed, safe and exciting sailing. She is well proven and meticulously maintained, highly upgraded and fully equipped.

The bright and spacious living area is surrounded by large windows which fill the space with natural light, giving a comfortable and welcoming feel to her open plan layout. Featuring 3 cabins including a full beam, light filled master suite and 2 convertible guest cabins as well as a large protected cockpit for guests to enjoy the sailing in comfort and safety. Her highly innovative features are unparalleled on this size of performance yacht. She has always been run by a full time Captain and 1 crew member. Her hydraulically lifting, deep draft, fin keel and twin carbon rudders along with a retractable carbon bowsprit mean versatile and exciting performance in all conditions and wind strengths. She has a brand new suite of Doyle Stratis, a new Code Zero furler, carbon sails giving her even more performance. Laden with top quality hardware, Hall Spars carbon mast and boom and EC6 carbon rigging and Harken winches giving raceproven technology above deck, as well as an abundance of space and luxury below.

She performs equally well gliding along in light Med winds as well as flying down ocean swells in the Atlantic in heavy conditions, eating the miles of passages with ease. As a racer, Caiarossa has participated twice in the Rolex Middle Sea Race proving her offshore racing capabilities.
