

ASTONDOA 44 FLY "PUNTA LA PLATA" - Ref: 15318

This 2016 Astondoa 44 Fly is in perfect condition with brand new cabins and up-to-date maintenance, including recently replaced batteries. Powered by Volvo Penta IPS engines with a bow thruster, it's fully equipped with all electronics. Privately owned with the original invoice, it features unique custom extras like easy engine access, a flybridge fridge, convertible sunbathing/seating area, and double aft platform doors. The sailor/owner cares for the boat daily, cleaning it several times a week and managing all service and workshop needs. Recent maintenance includes a full engine service, new batteries, and a hull and propeller clean in May 2025.
